What do you think the children might do next?

Answers

The two adjectives I could use to describe how the children might be feeling are **excited** and **pleased**.

In the picture, I can see **two children**.
There is a boy and a girl.

In the picture, I can see two children who look like they are playing on a laptop.

The children might be looking at a **video game** on the screen.

I think that the children might **cheer or laugh** and then **play another round** of the game.
